

September 5, 2008

All members were present

Included with this mailing is each center's slot confirmation. Please hold the spots that you have committed for the assigned programs. If there are future changes, centers will be contacted by the assigned program. If your confirmation does not have slots listed, and you wish to take students, please contact Carol Appleton at Loma Linda.

Save May 2, 2009 and mark your calendars for the IACCC Job Faire to be held at CSULB.

The 28th Annual IACCC/CEF meeting will be held on October 7, 2008 at Western University of Health Sciences. Speakers are Jody Gandy and Kenneth Harwood from the National Office of the APTA. The topic is Embracing Clinical Education Standards: A Work in Progress. It is a great opportunity to look into the future of clinical education and to be part of the planning process for our programs. This is a free workshop but RSVP is needed. Please contact Tiffany Witherspoon at 800 249-9133, fax 909 469-5692, or by email at twitherspoon@westernu.edu Tiffany will provide you with a parking pass and map.

The next Clinical Instructor Education and Credentialing Program will be held on November 9 and 16 (two Sundays) at Rancho Physical Therapy in Murrieta. Since our last program filled early, do not wait to reserve your spot. The dossier may be downloaded from www.iaccc.net

Chapman University is celebrating its 80th anniversary on October 10-11, 2008. This anniversary includes the programs at Children's Hospital of Los Angeles and Chapman University. All are welcome. For information, contact Serena Healey at 714 744-7620.

Mount St. Mary's is hosting a program on residencies. There will be representatives explaining their programs from Casa Colina, Cedars, Kaiser, IPA, and Health Care Partners. The date is October 1 from 5:30-7 pm at Rose Hills Auditorium on the Doheny Campus. Contact Valerie Teglia for details.

The GLAD District is hosting a meeting with Scott Ward, the President of the APTA. It will be held on October 16th from 6:00 to 8:30 pm in the Rose Hills Auditorium on the Doheny Campus. He will be speaking on the APTA Strategic Plan.
