March 1, 2010

Dear Center Coordinator of Clinical Education,

Can't believe 2011 planning is already here! In accordance with the guidelines established by the APTA's Clinical Education Special Interest Group, all requests for 2011 placements are to be mailed no earlier than March 1 and no placements are to be scheduled beyond 2011. Thank you all for your continued support of our clinical education programs.

Enclosed you will find:

1. The 2011 Affiliation Commitment Form.
2. Instructions for completing and returning the form.
3. An FYI schedule of pre-affiliation needs for each academic program - arranged separately from the IACCC process.

Finding quality clinical experiences continues to be a serious challenge for all IACCC member programs. **We ask that you will consider the needs of your local programs, those listed on the left, before granting requests from non-IACCC schools.**

Please contact any IACCC member if you have questions regarding the form or IACCC operations and note our IACCC web site – address at the top of this letter. This site contains a lot of useful information with more to come in the future.

Thank you for your response by April 30, 2010, using the enclosed envelope, fax or email. We look forward to hearing from you. Each member sends their grateful thanks for your participation in our clinical education programs.

Sincerely,

Carol Appleton, PT, MPH
