January 20, 2006

All members were present except Loma Linda University.

The group welcomed Valerie Teglia as the new ACCE from Mt. St. Mary's College.

CSUN will host an open house at their new facility on March 23rd from 4-6 pm. All readers are invited to attend.

The first offering of the Advanced CI Course was very successful. Evaluations were strongly positive. IACCC will be offering another course again this spring. The date and the application will be available soon. We are also hoping to offer two CI Credentialing Courses this spring in the San Bernardino and South Bay/Long Beach area. Further information will be forthcoming.

Also in the early planning stage is a return to our annual job faire. We hope to offer this in the fall as it is closest to most students' graduation dates. CSULB is exploring room availability, and the time will likely be a late afternoon/early evening on a Friday.

The next CEF meeting is scheduled for February 16th at 1:30 pm and will be held at Presbyterian Intercommunity Hospital in Whittier.

Many thanks to Sheryl for our wonderful website. Please visit our new material and announcements at www.iaccc.net

The next IACCC meeting will be 9:00 February 10, 2006 at APU.
