IACCC

Intercollegiate Academic Clinical Coordinators Council

February 2, 2007

All members were present

There are still a few openings in the upcoming CI Credentialing courses. Scripps Memorial Hospital is co-sponsoring a course with IACCC on March 16th and 17th. You can download an application from www.iaccc.net, or contact Dorcas Tominaga for questions. CCS and IACCC are offering a course on April 4th and 5th at the CCS office in El Monte. An application may be attained from any IACCC member, and Georgeanne Vlad can answer any questions.

Future courses are in the planning stage for San Luis Obispo, Inland Empire and Las Vegas. Methodist Hospital has expressed interest in hosting a course next year.

The treasurer's report was read and approved as submitted.

Chris Sebelski is exploring a collaborative process with IACCC to offer training in how to supervise/teach Grade V passive techniques to PT students. More information will be forthcoming.

The Job Faire is tentatively planned for June 22, 2007. Mark your calendars if you would like to have a booth. The location will be announced this spring as soon as it is confirmed.

The next meeting will be at 9:00 on March 9, 2007 at Azusa Pacific University.
