

February 20, 2009

All members were present except University of St. Augustine and CSUN

Marijean announced that she is retiring May 22, 2009. The college will be hiring a teacher for the program. Interested persons may contact Human Relations or Julie Bathke for a flier on the position. With her retirement, Michael agreed to assume the treasurer activities and Val will take over the secretarial tasks.

Applications were up at all programs partially due to the centralized application system. Programs are still reviewing applications to make sure students meet requirements.

Western University completed the CAPTE on-site visit and received a good oral report.

CI Credentialing Courses are listed on www.iacc.net for the entire year. Dossiers may be downloaded from the site also. Flier for the course at Sharp Rehab is enclosed with these minutes.

Also enclosed with these minutes is a flier for the Job Faire. There are still some tables open, please reserve early for this opportunity to meet new and future PT and PTA graduates. Pass the flier on to the department supervisor or Human Resource Department especially if you anticipate open positions in the next year. Please apply asap to Nena Becerra at USC.

IACCC is planning the development and offering of Advanced CI training to include elements of Evidence Based Practice as it related to clinical education, clinical reasoning, communication and conflict resolution, and electronic CPI among other topics.

The next CEF meeting is April 23rd at El Monte CCS Office

The next IACCC meeting will be an electronic conference on March 27th.
